

Application No. 10/052,528; filed 01/17/2002  
Applicant Lawrence Koh  
Patent No. 6,015,397

### DECLARATION UNDER RULE 1.178 Of Lost Patent

Mr. Lawrence Koh is the owner of Patent No. 6,015,397, Applicant in this reissue application, and also the President of International Diversified Products (IDP). The undersigned holds the position of Vice President for IDP, and have held that position since prior to year 2000. I have responsibility for overseeing many administrative functions of IDP. Within the past few weeks I have searched all relevant files in the offices of IDP attempting to locate the original Letters Patent, No. 6,015,397. I was unable to locate the original patent in our office files. I have also discussed the location of this patent with Mr. Koh, and upon searching his personal files he has advised me that the patent is not in his files. Neither Mr. Koh nor I have any recollection as to what may have happened to the original Letters Patent.

All statements made herein of Declarant's own knowledge are true and all statements made on information and belief are believed to be true; and further, all of the statements herein were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment or both under Section 1001 of Title 18 of the U.S. Code and that such willful false statements may jeopardize the validity of the application or document or any registration/issuance resulting therefrom.

Reissue for Patent No. 6,015,397

**DECLARATION UNDER RULE 1.178  
Of Lost Patent**

The undersigned is Paralegal and Office Administrator for Gene W. Arant, attorney for Applicant in this reissue application and have been since September, 2001. I have searched all relevant office files in an attempt to locate the original Letters Patent, No. 6,015,397, which is the subject of this reissue application. I was unable to locate the original patent in our office files, and have no idea where it might be.

All statements made herein of Declarant's own knowledge are true and all statements made on information and belief are believed to be true; and further, all of the statements herein were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment or both under Section 1001 of Title 18 of the U.S. Code and that such willful false statements may jeopardize the validity of the application or document or any registration/issuance resulting therefrom.
